## ORDER

This matter is before the court upon the magistrate judge's recommendation that defendant's motion to dismiss plaintiff's third and fourth causes of action be granted. The record includes the report and recommendation of the United States Magistrate Judge made in accordance with Local Civil Rule 73.02(B)(2)(g) and 28 U.S.C. § 636(b)(1)(A).

This Court is charged with conducting a de novo review of any portion of the magistrate judge's report to which a specific objection is registered, and may accept, reject, or modify, in whole or in part, the recommendations contained in that report. 28 U.S.C. § 636(b)(1). No objections have been filed to the magistrate judge's report.
